

CASH REGISTER APP INSTRUCTIONS

Checkout made **EASY!**

"We have an App for that!"
Makes checkout 3x FASTER!

The "Virtual Cash Register" App allows you to simply push a button on the app that corresponds to a "Price Code" found on each item. The App automatically adds up each item - making check out Fast & Easy!

We have designed a "Cash Register App" which allows you to simply push the button on the app that corresponds to the "Price Code" found on each item. The App automatically adds up each item - making check out Fast & Easy! Best of all, the App will work with whatever prices you select: "0% Profit", "10% Profit", "20% Profit" or you can "Set your own prices"!

How to install

Go to the App Store for your Apple or Android device, and "Search" for: [holiday shop cash register](#). Download/Install the App - FREE!

Log-In

Enter your Login & Password. The login and password are located on the cover letter you received in your "Chairperson Materials Kit" and also on the master Inventory / Worksheet that is included with your initial shipment or just call us toll free 1-800-468-7511. Please note an internet connection is needed to unlock the APP. Once the APP is unlocked, it will function with or without the internet.

Settings

Click the settings button and select one of the following options: "0% Profit", "10% Profit", "20% Profit" or "Custom Pricing". If you select "Custom Pricing", press each "Number/Code" to set your prices, then click the "Save" button at the bottom - EASY!

Checking Out Students

Once you have selected/set your prices in the settings section you are ready for check out. Simply take the gifts that a child wants to purchase and press the "Number/Code" on the app that corresponds with the number/code on the bottom of the items. After pushing the number/code for each of the child's gifts, press the "Total =" button to find out what the child owes. When the child hands you their money, press the "Amt Tendered" button to have the app calculate the amount of change owed. If you don't need help with calculating the change due, press the clear button and you are on to your next shopper.

Credit Card Processing now available on our Smartphone APP! (Only Available on Apple Devices) (Great for night & weekend sales). All purchases automatically credit to the invoice. To process credit cards, an internet connection is needed.

Web-Based Cash Register

Don't worry if you don't have an Apple or Android device, we also have a "Virtual Cash Register" available, as a web-based application, found at the chairperson's website, that can be run on any Smart Phone, Tablet, Laptop or Computer with an internet connection!
