We are very excited to announce a new contactless fundraiser we will be running during the dates above. Scentco has been a trusted fundraising partner on school campuses for years with award-winning products like Smencils, Smens, Smillows, Air Dough, and Plush Crush!

If you have not already received an email from the school with a link in it that will allow you access to the Sell-A-Thon system, you can use the web address above or scan the QR code. The email will include easy to follow instructions for how to enter email addresses and mobile numbers of family members and friends who will support our campaign.

The Scentco Sell-A-Thon is an online fundraising store that you can share with family and friends across the country. Scentco processes all the transactions and ships right to your supporter's door. Fundraising has never been this simple!
